TO BRING:

To start your child's day off right, consider his or her specific needs and what will make your child feel comfortable in a new environment. Please follow these guidelines:

- Bottles:** If you have an infant or toddler, please bring an appropriate number of premixed bottles of formula or milk for each feeding, unless you are using Starz' Academy Provided Formula. You must also provide an unopened, liquid (ready to feed) can of formula for emergency use only. Please be prepared to share information about your child's feeding schedule, including amounts, temperature, and times for feeding.
*ALL bottles and containers ARE REQUIRED to be labeled with your child's full name, the date and time prepared, type of formula or breast milk, and the initials of whom it was prepared by.
- Clothing:** Children should wear play clothes, as they may be involved in projects that use paint, water, and other materials. We ask that a change of weather appropriate clothing be supplied for your child and kept in their cubby. PLEASE LABEL ALL ITEMS!
- Bag or Backpack:** Children should have a bag that we can keep their jackets and/or winter coats in; this helps us to cut down on the spread of germs by limiting contact.
- Pencil Box:** In an effort to prepare your child for Kindergarten and to teach self-help and responsibility, each child in our Preschool Program (3-5 years) must have their own pencil box containing the following items: markers, colored pencils, crayons, glue and scissors. PLEASE LABEL.
- Nap-time Items:** Children are welcome to bring a blanket, a small pillow, pacifier, or special toy that they use for comfort during rest time. These items are to be taken home on Fridays to be cleaned and then returned the following Monday.
*No blankets are allowed in our Infant rooms; this is a State Guideline for Safe Sleep practices.
- Diapers/Wipes:** Please bring an unopened package of disposable diapers and wipes, enough to last at least for the day, and check with center staff concerning the use of cloth diapers.

Toys from Home: The center has a wide variety of toys in each classroom; toys from home often cause conflict, and the center cannot be responsible for their safekeeping. Please keep in mind that centers do not allow toys that may be dangerous or encourage fighting, such as weapons and action figures. Please check with staff concerning guidelines for bringing electronic equipment such as games, music players, and cell phones.

OUR STAFF:

Staff members at Starz' Academy are our greatest asset. They are professionals who have expertise in caring for young children and supporting working parents. Our Teachers have associates or bachelors degrees or equivalent experience in early childhood education. Prior to joining Starz', all staff members go through an extensive interview process as well as background and reference checks. Once hired, all staff members are annually trained with special emphasis placed on safety and security, hygiene, health and sanitation, first aid, CPR, and life saving procedures.

*** After Hours (Babysitting):** It is a policy of Starz' Academy that staff may not care for enrolled children after business hours. When staff members become too familiar with students in an after school situation, it can affect the student-teacher relationship within the school.

SAFETY & SECURITY:

Providing a safe and secure child care environment is our priority; every effort is being made to keep your child safe, happy and healthy. Each center has a set of safety and security procedures and standards that we enforce. These include but are not limited to:

Secure lobby and classrooms. Each center is equipped with an electronic lock. Families must know the code to enter, while all visitors are greeted at the door to sign in and be assisted.

Visitor precautions include photo identification for all visitors, emergency contacts and authorized persons. A visitor listed as an authorized person to pick up a child will still be asked to provide photo identification if the school administration does not know him/her.

**** In accordance with state law, we must have on file the names, addresses and telephone numbers of the individuals permitted to drop off and collect your child from school. If someone arrives to collect your child and we have not been introduced nor have their name on file, we CANNOT allow your child to leave with them.***

** Any changes to the pick-up list must be done in person and in writing.*

Anyone picking up must be of sane mind and body. We will not release children to those who appear to be under the influence of drugs and/or alcohol.

Proper transportation must be provided. Car seats/boosters must be in compliance with Indiana State Law. Emergency exit plans are posted in every room, in addition to regularly held safety drills.

All classroom staff are trained in CPR, First Aid and Universal Precautions.

Equipment safety precautions include the regular monitoring of equipment to ensure it is in working order. Children should not be left unattended in your parked car during drop-off and/or pick-up. In addition to this, when picking up and dropping off children must be accompanied by an adult at all times.

When changing from full-time to part-time a written 2-week notice is required. If you plan to permanently add on to your schedule, please let the office know as soon as possible and we will do our best to accommodate your family's needs.

Withdrawal from Program: Parents wishing to withdraw their child from Starz' Academy must complete a Withdrawal Form. Two (2) weeks prior to the termination date; parents are required to pay for those 2 weeks regardless of when the child leaves the center.

PROCEDURES:

We are open from 6:00 a.m. – 6:00 p.m. Monday through Friday. Parents are welcome to visit the school any time the center is open for operation.

Attendance (including arrival and departure times) helps to ensure that State Child & Staff Ratio Guidelines are met and Maintained. Please notify your center of any schedule changes or absences by 9:00 am.

Daily Sign-In and Sign-out is your responsibility. You are required to sign your child(ren) in and out daily, this is in accordance with state licensing requirements. Children are not allowed to sign themselves in or out. * *All children must be escorted to their classrooms.*

SCHOOL COMMUNICATION:

Every month a newsletter is posted notifying the families of various upcoming events, special days, activities, and topics of interest. These can typically be found on your center's monthly bulletin board, in addition to your

child's classroom.

A Daily Schedule is posted on the Parent Bulletin Board in each classroom. This is to give parents an idea of your child's daily routine. For Young Preschool and under, a Daily Report is placed in your child's file. A Weekly Report will be provided for those in our Upper Preschool program. These forms include: favorite activities, feeding habits, behavior patterns, nap schedule, items needed and class teachers.

In order to assure your child a quality education, a Weekly Lesson Plan will be posted in each classroom. The curriculum is theme-based with developmentally appropriate activities to enrich your child's learning experience. To track your child's educational progress, we utilize multiple tools. Monthly assessment pages will supplement a progress report done twice yearly.

All accidents and incidents will be documented regarding your child. You will receive a report stating the incident and the treatment that was given. You may receive a courtesy call from the office staff if needed.

Effective communication is key to positive partnerships with parents. Effective communication involves active listening and clear, respectful speaking. When professionals and parents share knowledge and experience, it's good for the children's wellbeing and development. All communication with Starz' Academy staff must be done in a professional manner. Any use of profane or abusive language will not be permitted and could result in termination of care.

Children should not be exposed to any *communicable disease* within 4 weeks prior to admission. Starz' Academy must notify all families of any significant occurrences or problems which may affect the child, including the exposure to communicable diseases.

Children who are ill must NOT be brought to Starz' Academy. Keep children home if they have experienced any of the following within the previous 24 hours: including but not limited to **Fever, Diarrhea, unknown rash, and/or Vomiting.**

Your child must be picked up if he/she vomits, has diarrhea and/or a fever of 101 degrees or more. **Pick up must be within one hour of notification.**

If your child is sent home for any reason, **they may not return until they are symptom-free without the aid of medication for 24 hours after unless accompanied by a doctor's note stating the specific cause, the treatment of care and that the child is not contagious.**

TRANSPORTATION GUIDELINES:

Maintaining a safe experience during busing to and from Starz' Academy is mandatory. The following transportation guidelines address some of the more important guidelines that children need to follow while being transported by Starz' Academy. If you have any questions, please contact the office staff.

1. Students must obey the instructions and directions of bus drivers and Starz' Academy staff at all times.

2. Be courteous; no profane or vulgar language or gestures.
3. Remain seated in the assigned seat; facing the front of the bus.
Remain out of the aisle. The walkway between the seats and the emergency exit should remain clear.
4. Talk quietly and refrain from yelling and/or screaming.
This is especially important when approaching railroad tracks.
5. No eating or drinking on the bus.
6. Keep the bus clean.
7. Do not destroy Starz' Academy property.
8. Throwing things on, off or at the bus is not permitted.
9. Fighting, rough-housing and/or horse-play is not allowed.
10. Objects that may be dangerous to the safety of any passengers will not be allowed on the bus.
11. Students are to board the bus immediately after dismissal and are to remain on the bus until they arrive at the designated center and are instructed by the driver to leave the bus.

If the above rules are broken we will take the following steps:

1st offense: Parent Consult.

2nd offense: Student & parent meeting with Bus Driver and Office Staff.

3rd offense: 1 day bus suspension.

4th offense: 3 day bus suspension.

5th offense: Bus privileges will be revoked.

*This policy takes the age of the children into consideration when dealing with discipline issues. Each situation is unique (like the child) and will be handled at the discretion of the Starz' Academy administration. Depending on the severity of the offense, steps will be expedited to keep everyone safe.

Discipline, Suspension and Expulsion:

We believe that a child in a purposeful, engaging environment of love, trust, and respect will gain self-discipline and the desire to learn and succeed in a positive way. Our centers represent and support culturally diverse environments that allow teachers to focus on each child's sense of self, self-regulation, and conflict resolution. Our teachers continually receive training and support in distinguishing concerning behaviors from developmentally appropriate behaviors. We do not use exclusion unless there is a serious safety threat. We do not use corporal punishment at any time. We do not administer suspension and expulsion in a biased or discriminatory manner.

We believe that discipline is a necessary component of learning. In order to assure your child a quality education, it is important to have a written policy that includes the following:

Every child is expected to...

1. Be polite and use good manners
2. Consistently follow directions.
3. Handle school property and materials with care.
4. Respect the property and rights of other children and staff.
5. Control verbal & physical aggression towards others.

Toddlers will occasionally go through periods of biting behavior. This can be attributed to several normal developmental processes. While we strive to keep all children safe and secure, toddler biting is expected. We will employ redirection, natural and logical consequences, how to help the child express their emotions, age appropriately and reassess the classroom environment. Depending on the severity of the offense, steps will be

expedited to keep everyone safe. For extreme situations, according to the Administration, expulsion may be necessary.

Any form of **intentional physical violence or verbal aggression**, whether it is initiated or it is in retaliation, is not permitted. This includes, but is not limited to swearing, hitting, biting, spitting, choking, kicking, and pushing. In instances where aggression is provoked, we ask the child to verbally express their displeasure, walk away from the situation, and ask for intervention from the teacher.

Generally, a teacher will take the child aside and speak to him/her about their behavior. They may be asked to choose a different activity for a while until material can be used with more care. Another option for children ages 3 and over may be a 'Calm down space' where the child will take a few moments to 'cool off' while being separated from the group. If the 'Calm down space' does not seem to be effective, the child may be brought to the office for further discussion about the child's behavior.

Repetitive negative behavior or a serious behavioral offense may be cause for a parent/teacher conference. Behavior, which continues after these measures, is cause for concern. Serious cases of discipline problems will be documented and reported to parents and may be cause for termination of care. Starz' Academy takes the age of the child into consideration when dealing with discipline issues. Each situation is unique and will be handled at the discretion of the office staff.

Attendance at Starz' Academy is a privilege and repeated failure to follow rules and policies as established for the safety of all our children and personnel will result in dismissal and termination of care. Also, if after a reasonable period of time, it is found that a child is unable to adjust to the center, the center reserves the right to request withdrawal of that child. The decision is left to the discretion of the Administrators.

* Starz' Academy Administration may implement a Behavior Plan if necessary.

* If your school age child has been suspended from school, he/she is not permitted to attend Starz' Academy.

ACKNOWLEDGEMENTS: (As documented in your Enrollment Packet)

- I understand that I must submit a physical and immunization record, signed by a physician, for my child.

**Infants also need a feeding plan and medication order completed by a physician.*

- Food Program paperwork must be completed and returned to the office upon enrollment. (Center Specific)

- I understand that parent conferences will be scheduled when necessary to discuss development progress and/or behavioral status. Caregivers shall have periodic interviews with the parents to assure consistency and mutual awareness of progress and development. We will inform the parent of any important information regarding their child on the day of occurrence.

- Field Trips are an integral part of Starz' Academy's curriculum. Starz' Academy will never remove your child from the premises without proper notification. Permission slips will be sent home detailing the educational

- Starz' Academy is required to reach a specific adult/child ratio before any group is permitted to leave the center. Volunteering for field trips is a great way to get involved in your child's developmental process, and we strongly urge parent participation in this area.

- I understand that, although Starz' Academy will do everything reasonable to ensure that no harm comes to my/our child while in their care, situations sometimes arise that are outside of the school's control. I also indemnify and hold Starz' Academy harmless for any damage, injury, or loss to the person or property of others caused by my child.

- Starz' Academy and its employees are required by law to report any and all suspected cases of child abuse and/or neglect to the appropriate agency.

- Starz' Academy keeps records for each child in order to ensure compliance with State Licensing and Government requirements. These records are company property and therefore access is restricted.

Starz' Academy is committed to providing academically focused childcare for your family. If you have any questions or concerns regarding your child's care, please bring them to a member of our staff.
